

Shared Solutions *Diplomat Specialty Pharmacy Network*

Benefits

- Free program for all MS Patients
- Home Injection Trainings
- Mailing list to receive announcements regarding:
 - Monthly 800 # Teleconferences for MS Patients
 - Local Patient Support Programs, etc.
- AutoJect Injection Device (free)
 - Only available from Shared Solutions
 - Free replacements
- 100% Free program

Co-Pay Assistance*:

SharedSolutions' co-pay assistance program for private, commercial insurance is administered by Chronic Disease Fund (CDF). The Copaxone program is administered separately from CDF's public MS program, and does not close to Copaxone patients.

Characteristics:

- Amount of award varies.
 - Household income is a consideration.
- Max. award = \$4,800/yr.
- Max. per month = \$600/mo.
 - In the case of a high deductible, the patient could still be responsible for a substantial portion of the first 1-2 month's medication.
- No written application required.
 - Documentation will be required.

DSP Patient Co-pay needs should be submitted to SharedSolutions

- Requests will only be submitted by SharedSolutions to CDF.
 - An electronic file is submitted to CDF, specifying DSP as the preferred pharmacy.
- Similarly, CDF will forward new patient info. and award to DSP, electronically.
- DSP will document utilization data to CDF weekly and get bulk reimbursement payments from CDF monthly.

*In all co-pay assistance cases, confirm that the patient will continue to be able to use Diplomat.
